

The City of Kelso Launches Open Budget Application ^[1]

Date:

Mon, 07/20/2015

The City of Kelso, in association with Socrata today announced the implementation of Open Budget, a suite of breakthrough open data financial transparency apps for government. Open Budget is designed for quick deployment and citizen empowerment. Open Budget Kelso can be accessed directly at <http://budget.kelso.gov> ^[2] or through the City's website at www.kelso.gov/budget ^[3]. The City Council will receive a walk-through demonstration of the application at its July 21st, 2015 regular meeting held at Kelso City Hall at 6:00pm. Click [here](#) ^[4] to view the full press release.
